GLOBAL HEALTHCARE MOBILITY WEEK

ACADEMIC SYMPOSIUM TIMETABLE

11:00 - 11:05
- Opening & Welcome Remarks
  Jinbum Kang - Dept. of Biomedical Software Engineering, CUK

11:05 - 11:10
- Congratulatory Remarks
  Fr. Michael Jun gui Choi, President of CUK

11:15 - 12:00
- Sesson 1 - Healthcare Mobility in the Age of Ambient AI
  Hyo Jung Kim - Program Chair, Biomedical Software Engineering, CUK

12:00 - 13:00
- Lunch Break

13:00 - 14:00
- Keynote - Community-Engaged Research Innovation
  Melinda Butsch Kovacic - Assoc. Dean of Research, College of Allied Health Sciences, UC

14:10 - 14:40
- Session 2 - Challenges and Potential of Health Urban Planning
  Christopher Auffrey - College of Design, Architecture, Art, and Planning, UC

14:40 - 15:10
- Session 3 - How Bucheon St. Mary's Hospital Leads Global Medical Care
  JooMee Kim - Director, International Medical Center, Bucheon St. Mary's Hospital

15:30 - 16:00
- Session 4 - Acousto-electric Imaging for Noninvasive Mapping of Biological Currents
  Jinbum Kang - Dept. of Biomedical Software Engineering, CUK

16:00 - 16:30
- Session 5 - Beyond the Algorithm: How Should We Evaluate AI for Clinical Use?
  Kye Hwa Lee - Department of Biomedical Informatics, Asan Medical Center, University of Ulsan College of Medicine

16:30 - 17:00
- Session 6 - The City as the Clinic: Planning and Design for Health
  Sangyong Cho - College of Design, Architecture, Art, and Planning, UC

17:00 - 17:10
- Closing Remarks
  Minji Lee - Dept. Chair, Biomedical Software Engineering, CUK

2026. 03. 18 (Wed)
~ 2026. 03. 20 (Fri)

VENUE & RESIGTRATION

CUK Central Library,
Conference Room

On-Site | Online

PARTICIPANTS

UC / CUK Faculty,
Undergraduate &
Graduate Students

HOST & SUPPORT

Department of Biomedical
Software Engineering

National Research Foundation of
Korea / UC International
